

County 4-H Mini Grants Program
Funded by the South Dakota 4-H Leaders Association
Application Guidelines for Grants that Address
Youth Needs in Local Communities/Counties
Special Funding Period for 2022
Application deadline: March 30, 2022
Award Decision by April 15, 2022
Project Must be Completed by September 30, 2022

Mini-Grant Program Funds Available: up to \$400 per county per 4-H year

*not to exceed \$1200 per project per 4-H year

The max amount per year per individual county is \$400. If two counties do a project together, you may apply for up to \$800 for the project. If three counties do a project together, you may apply for up to \$1200 for the project. The max available per project is \$1200. SD 4-H Leaders may choose to fund a partial grant amount.

Decision:

The purpose of the County 4-H Grants Program is to address youth needs at the local level. The 4-H Leaders Association recognizes that the greatest impact of 4-H occurs at the local level, usually between youth and 4-H volunteers. It is the local 4-H club, the county wide 4-H program, the special interest group, and to some degree, the school enrichment program where most youth development occurs.

1. An application may be initiated by a 4-H youth or volunteer or a group of 4-H youth or volunteers (representing a club or several clubs), or a 4-H Advisor or Advisors (representing a county or up to 3 counties). Only 4-H clubs and/or staff may apply.
2. Proposal must have the approval of the local 4-H Advisor or 4-H Club Leader who by his/her approval acknowledges responsibility for the proposed activity and who will be accountable to the South Dakota 4-H Leaders Association for the results of the grant investment.
3. Grant applications are due by December 31st. The grant committee of the SD 4-H Leaders Association will review the applications and award the grants by January 15th. Projects must be completed by September 30th of the current year.
4. Grants funds can be used to purchase educational materials and supplies, expenses/honorariums for speakers, travel and training. Generally, snacks for refreshments, give-away items, e.g. t-shirts, etc. and building rental are not approved expenditures. Monies can't be used for capital equipment or hardware (defined as items and material with a life expectancy of greater than five years) or building drives.
5. Criteria for awarding funds:
 - * Potential for youth involvement in the planning and implementation of the project.
 - * Potential impact on addressing youth issues at a local level through either a traditional or nontraditional setting.
 - * Potential for increasing life skill outcomes for youth.

- * Potential for reaching expanded youth audiences e.g. at-risk low income, single parent families, other cultures, disabled, etc.
- * Potential for transitioning new youth audiences into more “traditional” or ongoing 4-H programs.
- * Consistency with present directions of statewide 4-H/youth development programs.
- * Cost of project relative to youth reached and outcomes achieved.

6. Proposal must follow the attached proposal outline. Send to Executive Secretary of the SD 4-H Leaders Association. The proposals will be reviewed by the SD 4-H Leaders Association Grant Committee.

7. The grantee must complete and return to the Association, within 60 days of completion of the project/program, an evaluation, sample promotion material recognizing the 4-H Leaders Association and a final accounting of funds expended. Future grant requests will be considered relative to meeting these requirements.
